What can one say to sum up a performance of this nature in so few words. It's not a matter of black and white scenes but it's the shades of feeling in each individual. It's becoming part of this complex organism and working for the play. And each part, each person becomes closer and his aim becomes an obsession. The play is a life story.

It's born
grows
and lives
It's
time
work
laughter
lines
motion
costumes
color
sets
lights
paints
scenes
an environment
corrections
cues
frustration
tension
anxiety
nerves
wit
It's opening night
climaxed
and then it's all over

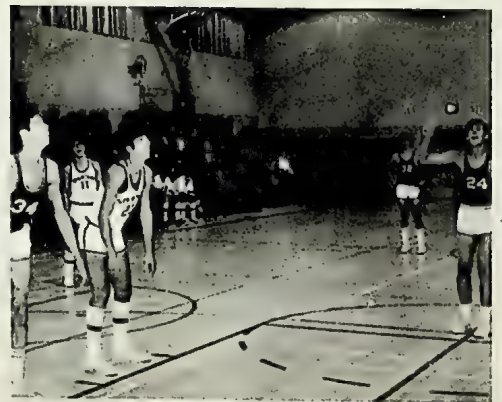

a shed tear not seen, mixed emotions with exhaustion and a sense of fulfillment.

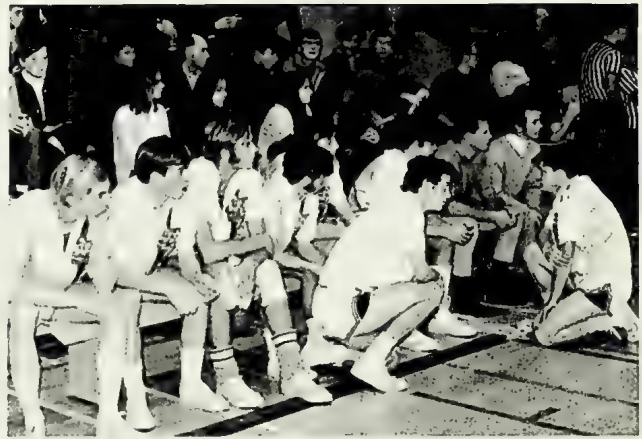

We would like to thank Mr. Botchett. Without him this organism might have died.

This is a play, but now it's only memories.

SPARKETTES

Careers?? Guest speakers?? A Christmas Coffee Party?? The sparks were flying this year especially when you added it to "The Sparkettes." The Sparkettes (formerly the young Sophisticates) adopted two children, Kathie and Donnie De La Fosse. Ideas bloomed and we came up with a Christmas Coffee Party in order to raise money to make clothes, buy some toys & just make

their Christmas a brighter one. Because of Q. E. 's spirit a one hundred dollar profit was made and used for gifts and to open a bank account for each of the children. I only wish that each and every one of you were there to see their faces light up when we came with carloads of presents.

EDUCATION CONFERENCE

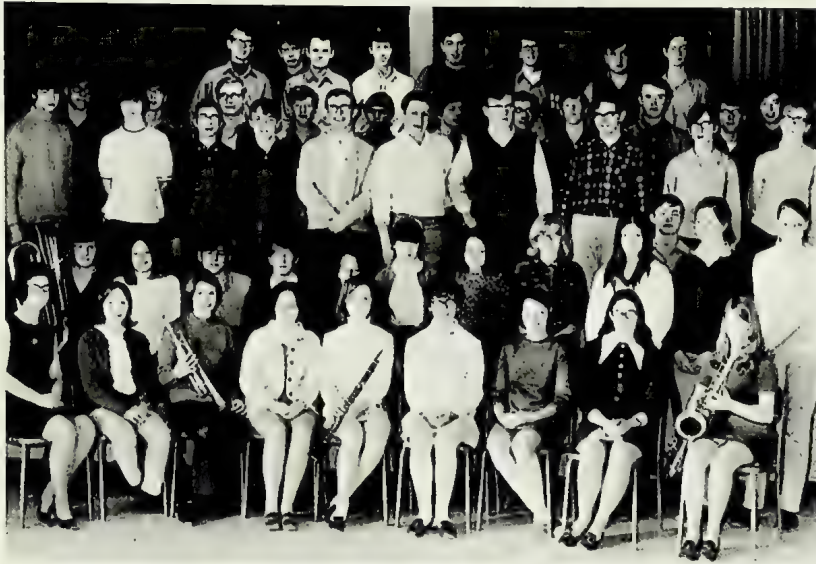

As a result of last year's Powell River educational conference, and many months of diligent planning the Edmonton Public School Board in February of 1970 unanimously approved the plans for a student-rien education conference to be held at Q.E. May 14 and 15.

Co-ordinator of the conference Deena Hunter has outlined the objectives of the conference:

1. to exchange ideas
2. to make constructive of the present system and
3. to make proposals for changes in the present system of high school education.

BAND

The numerous activities of the band have increased the awareness of music in the school. Though concerts in school, as well as those co-ordinated through junior high schools, they have endeavored to broaden interest in musical art.

During the year members of the band have participated in various activities including: the year play, concerts given at four junior high schools, the Kiwanis Festival, and the Night of Music at Queen Elizabeth.

Thanks:

- . . . To the many people of the school who have made the year a success, I thank you.
- . . . To Mrs. Kernan for her time and patience proofing, cajoling, encouraging and threatening us in order to make our deadline.
- . . . To Mr. Galbraith for the many hours spent in the darkroom; but for him the greater part of this book would not have been possible
- . . . To Mr. DeLaroque a warm thanks for his part in making the advertisements and the financial part of this book possible.
- . . . To Jan Prat for his original ideas and designs in the art department
- . . . My assistant-editor Ann Maas, and to Brenda Mulak, Sandy Shenton, Rose Edelmenn, Jane White and others for putting this book together.
- . . . To the many teachers who have been patient enough to excuse us from class time.

THANKS!

Early in 1970 our former principal, Mr. L. F. Wendt received an appointment as principal of the new M. E. Lazerte High School. Although we miss his presence in our school, we wish him all the best in his new position.

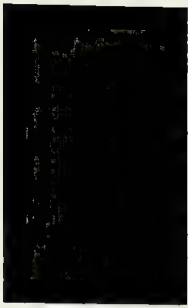

PRINCIPAL'S MESSAGE

By the time your yearbook is published and is in your hands another school year will have come to a close. To the vast majority of Queen Elizabeth Composite High School students the year has proven to be both enjoyable and fruitful. You have tasted victories in sports; you have achieved a large measure of success through the active Students' Union; you have developed friendships through association with your peers in and out of classes; you have used the opportunity to acquire knowledge and to learn something of your heritage. At this time all these things may seem to be trivial, unimportant and irrelevant, but as time passes you will learn to appreciate all of your past experiences. You will realize that what you are is the sum total of what you have been.

Good Luck to all of you!

W. J. Sherek

GIRLS' PRESIDENT

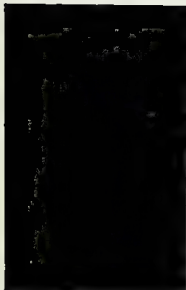

Queen E's 1969-70 has unquestionably been the "Year of the Knights"! Beginning with the City Football Championship, Q. E. 's Knights (whether they be heavy-hitting football players, scholarly pupils or plain everyday John Q. Student) have risen above their rusty armor and conquered! Our Reach for the Top Team got high score, the U.N. Club Hosted a province wide Educational Conference, Brave Knights and Ladies donated blood to Red Cross and money to U.C F. Our girls' and boys' basketball teams had an excellent season, the school band is working its way towards uniforms and the year play and musical were financial and artistic successes.

Our best wishes to you, and it is our hope that you let Queen Elizabeth's victory cry be YOUR personal cry. W-I-N-N-E-R --be a winner!

BOYS' PRESIDENT

The year is over-- many things have been done and undone-- all are leaving-- some will return-- do not forget what it was like-- do not ignore it-- keep looking -- someday you'll find something-- maybe-- be what you are-- see what there is to see-- watch the world, it moves-- peace comes to those who seek it-- who want it.

Juniors

This is the age of Aquarius, "when peace will guide the planets and love will steer the stars."

The words of this song seem to symbolize the seventies which will be your heritage, and your responsibility. In the past, the philosophers, the idealists and the poets were the voice of change as they dreamed and wrote of understanding and harmony and trust among men. But today it is your generation that is making itself heard and that is challenging us to recognize the dawning of a new age.

My wish for each one of you - the members of the Grade Ten class of Q.E.C.H.S., 1969/70, is that you avail yourselves of the limitless opportunities available to you in the field of education to prepare yourself for the enlightenment, the humanity and the love that symbolize the age of Aquarius - your hope for the future.

FROSH QUEEN CANDIDATES

Karen Chisholm, Debbie Hunt, Cathy Barnes, Donna Kibblewhite, Mary Ann Tomin, Leora Luciak.

What have you done for Queen E.?
What has Queen E. done for you?

For some, the first question could bring forth a lengthy response as to their endeavours over the past two years. Others may not be able to elaborate to a great length, but would have a feeling that they have participated for their school.

To the ones who can give a positive answer to the first question, the second question will bring to mind their accomplishments, their victories and their new friends.

Within a short year, you will be leaving these halls to new experiences. But your final year of school will come first.

You are becoming the new leaders of the school in the coming year and this will demand that you give of yourselves to better the school.

Only by working to do the school's motto "Virile Parte--- To the utmost of one's ability" will your school become a better one and then your school will return dividends to you and your fellow students.

GRAD COUNCIL PRESIDENT

For most grade twelve students graduation is that long awaited final event in their school life. It brings to a close twelve years filled with joys and hardships where friends are made, many to last for a lifetime.

In this, my final year a Q. E., it has meant a great deal to me to be chosen as president of the Grad Council. The activities of the council could not have been a success without the help and co-operation of students and teachers alike.

Although we will look back on this year with fond memories, we must look to the future and what it has in store for us.

Perspective- capacity to view things in their true relations or relative importance.

Graduation from high school represents a big moment in your life and well it should. After three years of experiences, both academic and social, you have gained a new perspective--new eyes to assess the world around you. Your understanding of this world is certainly different from what it was when you first entered our doors.

One aspect of this new look is that you have undoubtedly discovered that the problems of Man and men are much more complex than you had ever imagined and that simple solutions, "black and white" solutions, are rarely real answers to those problems.

If anything, you probably recognize that many of our frustrations are caused by the imposition of some authority's idealistic "black and white" solutions to what are really very "grey" problems.

Looking at the great revolutionary movements of the past two hundred years this idealism without an understanding of human nature is often seen to meet failure. The great French Revolution simply paved the way for the Emperor Napoleon and the Russian Revolution the dictatorship of Joseph Stalin.

As you move on to the next stage of your life--of continuing student, of employee, of spouse, of parent, or of taxpayer your perspective will be further altered encompassing a much wider range of view--all contributing to your better understanding of the exciting world you live in.

To be able to 'see' the world with your own unique eyes and still appreciate others' 'eyes' is a rare talent that we must all strive for if we are to make the meaningful decisions of the 1970's.

WALK

At the water
He finds no solace
He is not comforted
By the wind
It can only blow
Cold
Tomorrow he will go
Far from this place
And find it, he says
Where there is light.
The shadows run
And time...
I see
But say
Nothing
He has lost it
All
Blurred images
Running together
Rhythm
But no movement
Where there is room
He has none
And stands
Cold.

-Hilda Faber

years ago
when life was fun
happiness could be found
in a rock fight
with the boys
down the road
and in a tree house
where girls
were not allowed
to meetings
steeped in ritual
the days were long
the sun hot
and no one thought
about the meaning
of life or the
unhappiness that
comes with age and
realization.

SHOW ME

You say you're going to teach me
How to read, to write,
And - ultimately - to Think.

You say you're going to show me,
The wrong in our society
That I may see the truth of what is right.

And then to see how well you've done,
You make me write a "test",
And when I cannot answer
The way you want me to -- you smirk -- and say,
"My dear, when I want your opinion
I will give it to you."

So you see you've taught me nothing,
If teaching was your aim,
But I must admit I'm good at the
"I can-guess-the-answer-game."

I'm tired now
And all I feel is hate,
To know that you expect no more
Than for me to regurgitate.

Raging and storming
I thunder
 I plunder
Wild and free
Free with my face in the raid
Reflecting
 Rejecting the shadows of night
Shivering
 Quivering with bubbles of white
I capture
 I conquer till day conquers me
Dawn breaks my spirit
In the face of the sun
Dying
 I drift to the shore
Of thousands of waves before.

-Marianne Renzenbrink

I have returned - for one last glimpse of what life used to be like. I don't think I actually realized what a great feeling of security I had when I was here before. Now that I'm on my own I'm trying very hard to think of what my greatest accomplishment was, while spending 6 hours a day behind those walls. There is, of course, my matriculation but - is that all?

My greatest achievement must have been in learning respect: respect for other people, respect for property, perhaps even respect for myself.

Everything I ever did here is linked with respect. I've learned how to get along harmoniously with other people through respect. I've learned that "to have friends you must first be a friend". Because of this I've grown up - matured a little more each day. Now I'm no longer a frustrated teenager who rebels at teachers and parents when things don't go "my way". I can look at a problem objectively. I can see both sides of the story now. This I learned because I was respectful enough to stop and listen to the other side.

My friends can't con me into anything anymore. I'll do what I feel is right. I guess I'm my own man now.

I feel pity for those who have not yet learned respect because they miss so much. After they leave junior high and after they leave senior high, what happens to them? If an unhappy, discontented student goes into the working world, will he not become an unhappy, discontented citizen?

FUZZY

A day of uncertainty
 When even the commonplace is disrupting
 When you don't know your closest friends
 Or understand your enemies.

A day you wish could be started again
 Differently somehow
 And won over to your cause.

A day when you almost say
 Something you've been thinking for a long while
 Or do
 And regret it.

--Diana Balbar

THE CONTENDER

Insignificant little man;
 Hiding beneath an old gray coat,
 Touching the crowd but not touched,
 Always here yet always apart.
 Slouched under a beaten cap
 As the rain runs off the brim
 And squishes under his shoes
 On its way down an endless rut in
 The road.
 Old and ageless he leans on a post
 Where no lamp shines
 And prepares another attack
 And yet another
 In the battlefield of his mind
 Slowly he returns to his dark flat.
 Seeing no true friend,
 Speaking to none,
 Eyeing all--
 A lonely contender.

The Bay invites you to join us in celebrating Century Four in 1970. On May 2nd, 1970, we will be 300 years old.

Hudson's Bay Company

INCORPORATED 2ND MAY 1670

You talk a lot about the problems of this world. Do you really want to help solve some of them?

You're a high school student, ready to graduate. Sooner or later you're going to have to stop just talking about the problems of the world and start doing something about them.

Are you ready to? Are you ready to accept a meaningful position? Earn your own income? Be responsible for your own future security?

If you are, you're ready to see us about our Regular Officer Training Plan (ROTP). As an ROTP cadet you could attend one of our Military Colleges or you could be sponsored at a Canadian university. The Canadian Military Colleges are: Royal Roads Military College, Victoria, B.C.; The Royal Military College of Canada, Kingston, Ont.; Collège militaire royal de Saint-Jean, Saint-Jean, P.Q.

You'll graduate with an Officer's Commission and with a degree in Arts, Sciences or Engineering, better equipped to start doing something and when you talk more people will listen.

For more information write the Registrar of a Military College or contact the Military Career Counsellor at:

Where do You Stand?

Young People today are constantly having to make decisions on where they stand in their society and their world. There are the questions of drugs, war, discrimination, patriotism, careers, and family life.

To form opinions and to take definite stands teens need facts, information and background material. This material appears daily in The Edmonton Journal.

A wide variety of features appear regularly in The Journal so that you will be kept fully informed. Especially for Teens is the Teen Page every Friday with school news and articles by high school students. There's also Teen Dateline, pertinent questions from teens answered by Ele and Walt Dulaney, which appears daily in The Journal.

DESIDERATA

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ☛ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ☛ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ☛ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ☛ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ☛ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ☛ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ☛ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ☛ ☛
